Southampton Village Beaches:

Most of the beaches in the village are oceanfront, located off Gin and Meadow Lanes. In summer, the majority of these smaller beaches require parking permits, and the parking is very limited (perhaps 50 spaces). Except where indicated, there are no lifeguard or restroom facilities.

In Southampton Village, there are two "free" ocean beaches no permits required:

* *Fowler Lane (Ocean)*

End of Fowler's Lane, at the bend in Wickapogue Road.

* *Road D (Ocean)*

Meadow Lane at Road D

Day permits are available during the season at:

* *Cooper's Beach (Ocean)*

Located at Meadow Lane and Coopers Neck Lane.

Main beach with concession stand, chair and umbrella rentals, bathrooms, and fresh water showers, daily permits available. Parking available after 6pm; no permit required, no party allowed on beach-only ceremony allowed.
